Keep Quite Calm, Lavinia!

This quilt began with a fascination for Plus Quilts. I collected pictures of them on Pinterest for at least a year. I took the challenge of making a Plus Quilt. The name of the large floral fabric "Lavinia" from the Kaffe Fasset collection inspired the name of the quilt. In a picture book of my children, a Teddy Bear crashes into a picnic in the countryside. A woman at the picnic shouts, "Keep Quite Calm, Lavinia!" That line has become a stock West family refrain for stressful situations and always lightened the atmosphere.

The Holley Boys

This is Logan's first quilt. He designed the quilt using John Deere fabric to represent his Dad and Grandpa. The Angry Bird fabric represents his brother and the Marvel Hero's fabric is for himself. Logan did the piecing and quilting. His Granny stitched the binding.
