### **Trucking Around**

After 20+ years of marriage and our kids off into the world to be adults, Wayne and I knew we wanted something to do besides watch tv. Wayne likes to golf. I could care less about the sport and don't care to learn. I like textiles, colors, textures, and love to sew. Wayne is a master spur maker as well as a fine sterling silver jewelry maker. He has a good eye for color and design and grew up sleeping under layers of heavy quilts. I like to change quilt patterns to suit me, shop for fabrics and flip through magazines for ideas. He runs the Bernina and seam ripper. I run the iron and rotary cutter. So here you see quilt #3 out of 16.
